Testimonials

Alumni of Rankers league Faculty

ABHIMANYU

(AIR - 99*, IIT-JEE '2013)

After meeting the teachers of Super 20 program, I got to understand the difference between school education and subjective knowledge. My outlook towards Physics, Chemistry and Maths completely changed after joining Rankers League and studying these subjects became a gratifying experience. This helps student to gain confidence and aim towards accomplishing their goal. During my journey for preparation of IIT, I realized, I made a right decision by joining Rankers League. While studying over here I felt that I could also be in the list of toppers.

Abhimanyu (AIR-99*)

JITENDER

(AIR - 1, IIT-JEE '2010)

While preparing for IIT-JEE, enhancing the subject knowledge along with overcoming the subject phobia with proper guidance and regular practice of examinations are the basic requirements that need to be fulfilled by a good teacher. Under the guidance of my teacher V.K. Jha and Kulbir Singh and their time to time motivation through their personal experiences helped me to boost my confidence that resulted in achieving this incredible position IIT-JEE.

Jitender (AIR-1)

MADHU KIRAN

(AIR-4, IIT-JEE 2010)

Under the guidance of Rankers League faculty, V.K.Jha and Kulbir Singh, I had been successful in achieving AIR 4. Teachers here do not impose their teaching methodology rather they mold themselves as per the student's requirement. Teachers here teach in such a way in classroom that there is no doubt left regarding a subject even while preparing at home. This helped us in associating with each topic and also in achieving this position in IIT-JEE.

Madhu Kiran (AIR-4)

JANARDHAN

(AIR-7, IIT-JEE 2010)

Rankers League offers classroom program in such a way that we get hold on every subject and after that every question seems to be easy. It boosts our confidence and makes exams like IIT-JEE easy to crack. To top these exams, preparation plays a vital role so as the confidence. Only under the guidance of Teachers of Rankers League Mr. V.K. Jha and Mr. Kulbir Singh, I had been successful in achieving AIR-7.

Janardhan (AIR-7)

SABRISH

(AIR-8, IIT-JEE 2010)

Faculty at Ranker League teaches in such a way that one problem which is already solved and that helps us to prepare for the examination in a circular way. We are prepared in such a strong way that facing challenges becomes an easy task. Sometimes the topic which is about to start in the classroom is already prepared by the students. In my achievement of AIR-8 (IIT-JEE 2010) the entire credit goes the teachers for their outstanding contribution.

Sabrish (AIR-8)

DAYA SHANKAR

(AIR-17, IIT-JEE 2010)

Under the supervision of Faculty at Rankers League, V.K. Jha and Kulbir Singh, I found cracking IIT-JEE is not a difficult task. It helped me not only in increasing my morals for the preparation but also removed the phobia of the competitive exams. Without the support of these teachers the development of my morale and self confidence was next to impossible. Under their guidance only I was able to achieve AIR-17.

Daya Shankar (AIR-17)

Career in **medical**

Career in Medical Science has always been respected and will be respected till eternity. Now-a-days, life has been so unpredictable and uncertain just like the global economy. It is the healthcare sector that supports the eco-system to be balanced

In most states, one has to appear for an entrance test conducted by the Directorate of Medical Education, whereas some autonomous universities conduct their own entrance tests.

Opportunities in Medicine

- A. MBBS/BDS (Consultant/Physician/ Specialist)
- B. Clinical Process Outsourcing (CPO)
- C. Medical Technology in Radiography
- D. Medical Tourism
- E. Human Biology

About MBBS & BDS

MBBS is Bachelor of Medicine and Bachelor of Surgery. In theory these are two separate degrees, but in practice the two are usually treated as one.

BDS is Bachelor of Dental Surgery. Modern Indian dentists earn the Bachelor of Dental Surgery degree (BDS), which requires four years of study and one year of internship. This degree is overseen by the Dental Council of India.

Where to do MBBS & BDS?

MBBS and BDS courses can be undertaken at any of the MCI (Medical Council of India) approved institutions. From 2014 onwards AIPMT shall be conducted a common entrance exam for medical colleges in India wherein seats will be allocated according to merit and rank list of the candidates. Some of the few good number of private and government institutions conduct their own course program. However, one needs to get an excellent ranking in the entrance exams in order to secure a seat in the most elite colleges of the country i.e. **AIIMS, BHU, CMC-Vellore, JIPMER, MGIMS, Manipal, AFMC** and so on. These colleges have a history of excellent pedagogy, infrastructure and placements. AIPMT body shall provide All India merit list of the eligible candidates on the marks obtained in the AIPMT. A student can use national rank to take admission in 15% seats any of the AIPMT affiliated MBBS colleges in India.

About IIT's

The Indian Institute of Technology (IITs) are institutions of national importance established for fostering excellence in education. There are fifteen IITs at present, located in Bhubaneswar, Bombay (Mumbai), Delhi, Gandhinagar, Guwahati, Hyderabad, Indore, Kanpur, Kharangpur, Madras (Chennai) Mandi, Patna, Punjab, Rajasthan and Roorkee. Over the years, IITs have created world class educational platforms dynamically sustained through internationally recognized research based on excellent infrastructural facilities. The faculty and alumni of IITs continue making huge impact in all sectors of society, both in India and abroad.

The primary objectives behind such institutions are to:

- Build a solid foundation of scientific and technical knowledge and thus to prepare competent and motivated engineers and scientists
- Create environment for freedom of thought, cultivate vision, encourage growth, develop personality and self-discipline for pursuit of excellence
- Kindle entrepreneurial streak

Today, alumni of these institutions occupy key positions in industry and academia in India and abroad.

The admissions to the Undergraduate Programmes at these institutions for all Indian and Foreign nationals are made through the Advance Joint Entrance Examination (JEE-Advance)

IIT JEE (Advance) is one of the most competitive examination across the globe. They test analytical and logical aptitude of the student.

Super 20

The Modern Gurukul
for IIT/PMT

Introduction

Super20, A true Vidyapeeth is integral unit of Rankers League. While experiencing the relevance of Gurukul teaching and nurturing for producing toppers of IIT/Apex medical schools and realizing this fact that Gurukul Parampara not only develops the subject knowledge but also it refines the performance developing factors, controlling the day today activity and developing the habit to achieve success in any field. The idea of Super20 in Haryana was born when the team of Rankers League realized the desperate need of confidence development among rural and semi developed cities' students. The team believe in the hidden potential and talent of remote location students.

At Super20 we try to develop the skills of self evaluation, focus and acumen to achieve the goal by dedication and commitment.

Super20, A group of dedicated aspirants extracted by the Super 20 Scholars Admission Test (Super 20 -SAT). The mentors from Rankers League will take care of complete preparation of CBSE and IIT/PMT for the Super 20 students with aim of nurturing their potential to confirm 100/100 seats in IIT/PMT. To keep super 20 on track toward their goal, the team Rankers League guide, support and counsel them along with teaching every day, every hour. To enhance the performance of super 20 scholar, the team Rankers League provide them performance based scholarship. For super 20, this scholarship means an achievement & support to their parents and aim to reward the sincere efforts of student rather than a charity.

Key Objectives

- To strengthen the education of Science and Technology.
- To enhance the participation of remote location students in apex schools of technology IITs, ISM, NITs etc.
- Aware the students and parents for the right approach of preparation of IIT-JEE.
- To develop confidence of IIT-JEE (Advance) aspirants for assured success.
- To prove that IIT-JEE (Advance) can be surely cracked by time modulated consistent endeavors by above average students.

Vision

Super 20 is dedicated to enhance the participation of rural and semi developed cities' socioeconomically backward students in apex school of technology like IITs, ISM, NITs etc. It is an initiative to exhibit and motivate the students for assured success through right endeavor.

It is the most prestigious programme of Rankers League.

Who Are Super 20?

Super 20 are the enthusiastic and dedicated students who explore the world of science with their endless effort and strong motivation. Their keen interest and beyond 'time limits' discussion with their mentors make them strong contestants of winner. They are trained to think logically, analytically and conceptually to apply without the barrier of "problem type". Their day and night effort from morning 4.00 am to night 10.00 pm for continuous two year without break make them far ahead of others. Their rigorous daily practice and strong test analysis by eagle eye of their mentors make them achiever of the some one of the toughest exam nation wide. Undoubtedly their success is the result fo their special program which goes beyond the class room teaching.
